SECTION 2. IC 6-1.1-45 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2006]:

Chapter 45. Covered Taxing District Tax Adjustments

Sec. 1. As used in this chapter:

(1) "assessed valuation subject to tax abatement" means the sum of the:

(A) amount of the deductions granted under IC 6-1.1-12.1; and

(B) deduction equivalent of the credits granted under IC 6-1.1-20.8, as determined by the department of local government finance;

(2) "average abatement" for an assessment date means the amount of assessed valuation subject to tax abatement that bears the same proportion to the gross assessed valuation of a covered taxing district for the assessment date that the assessed valuation subject to tax abatement of all covered taxing districts in the county bears to the gross assessed valuation of all covered taxing districts in the county for the assessment date;

(3) "covered taxing district" means a taxing district consisting of the part of a city or town located in a particular township;

(4) "designating unit" means a city or town that designated under IC 6-1.1-12.1 the economic revitalization area in which a taxpayer is located;

before the application of:

- (A) deductions under IC 6-1.1-12 and IC 6-1.1-12.1; and
- (B) exemptions under IC 6-1.1-10;
- (6) "high abatement district" means a covered taxing district:
 - (A) in a county in which there is more than one (1) covered taxing district; and
 - (B) in which the quotient determined under section 3(a) of this chapter is greater than the average of the quotients determined under section 3(a) of this chapter for all covered taxing districts in the county;
- (7) "low abatement district" means a covered taxing district:
 - (A) in a county in which there is more than one (1) covered taxing district; and
 - (B) in which the quotient determined under section 3(a) of this chapter is less than the average of the quotients determined under section 3(a) of this chapter for all covered taxing districts in the county; and
- (8) "net assessed valuation" means assessed valuation after the application of:
 - (A) deductions under IC 6-1.1-12 and IC 6-1.1-12.1; and
 - (B) exemptions under IC 6-1.1-10.

Sec. 2. This chapter applies only in a county in which more than one (1) covered taxing district is located.

Sec. 3. (a) Before August 1 of each year after 2005, the county auditor of each county in which there is more than one (1) covered taxing district shall determine for the most recent assessment date for each covered taxing district in the county the quotient of:

- (1) the assessed valuation subject to tax abatement in the covered taxing district; divided by
- (2) the gross assessed valuation of the covered taxing district.

(b) On or before August 1 of each year, the county auditor shall certify the following to the county fiscal body, each municipality in the county, and the department of local government finance:

- (1) The identity of each:
 - (A) high abatement district; and
 - (B) low abatement district;
 in the county.
- (2) The total assessed valuation subject to tax abatement in each covered taxing district in the county.

Sec. 4. (a) Except as provided in subsection (b), a taxpayer in a high abatement district in a designating unit is entitled to a credit against the taxpayer's tax liability to the designating unit. The

1 amount of the credit for taxes first due and payable in a calendar
2 year is the remainder of:

- 3 (1) the amount of the taxpayer's tax liability; minus
- 4 (2) the amount of tax for the calendar year for which the
- 5 taxpayer would be liable to the designating unit if the average
- 6 abatement for the covered taxing district for the assessment
- 7 date in the immediately preceding year applied in the
- 8 determination of the net assessed valuation used to determine
- 9 the designating unit's tax rate for the calendar year.

10 (b) The credit under this section does not apply if all the
11 quotients determined under section 3(a) of this chapter do not
12 differ from each other by more than one percent (1%).

13 (c) The auditor of the county shall apply the credit under this
14 section against the tax liability of each taxpayer that qualifies for
15 the credit. A taxpayer is not required to apply for the credit.

16 Sec. 5. (a) Subject to subsection (b), the county fiscal body shall
17 impose an equalization levy in addition to the property tax levy
18 determined under IC 6-1.1-17 if one (1) or more designating units
19 is located in the county in which a credit is applied under section
20 4 of this chapter. The amount of the equalization levy for taxes first
21 due and payable in a calendar year in which a credit is applied
22 under section 4 of this chapter is the combined amount of those
23 credits for taxes first due and payable in that calendar year in all
24 designating units in the county.

25 (b) An additional property tax levy under this section does not
26 apply if all the quotients determined under section 3(a) of this
27 chapter do not differ from each other by more than one percent
28 (1%).

29 Sec. 6. (a) The property tax levy limits imposed by
30 IC 6-1.1-18.5-3 do not apply to property taxes imposed under this
31 chapter.

32 (b) For purposes of computing the property tax levy limits
33 imposed on a county by IC 6-1.1-18.5-3, a property tax levy for a
34 calendar year does not include the part of the county's levy that is
35 levied under this chapter.

36 Sec. 7. The department of local government finance shall certify
37 the tax levies and tax rates required under section 5 of this chapter
38 in the same manner the department certifies levies and rates under
39 IC 6-1.1-17. To comply with this section, the department of local
40 government finance may certify a tax levy that exceeds the amount
41 originally fixed by the county.

42 Sec. 8. Tax proceeds received under this chapter are not

1 considered a levy excess under IC 6-1.1-18.5-17.

2 **Sec. 9. A covered taxing district tax abatement credit account is**
 3 **established in the general fund of each county. The county**
 4 **treasurer shall deposit the amount collected from a levy imposed**
 5 **under this chapter in the account.**

6 **Sec. 10. (a) The amount in a covered taxing district tax**
 7 **abatement credit account:**

8 **(1) may be used only to replace property tax revenues lost by**
 9 **designating units as the result of applying credits under**
 10 **section 4 of this chapter; and**

11 **(2) subject to subsection (b), shall be distributed to the**
 12 **designating units of the county:**

13 **(A) as though the money were property tax collections; and**

14 **(B) in such a manner that no designating unit suffers a net**
 15 **revenue loss as the result of the application of credits**
 16 **under section 4 of this chapter.**

17 **(b) If the money in the account referred to in subsection (a) is**
 18 **insufficient to replace all the revenue lost as described in**
 19 **subsection (a)(1), the amount distributed to each designating unit**
 20 **is reduced in proportion to the relative gross assessed valuation in**
 21 **each designating unit that is eligible to receive a distribution.**

22 **Sec. 11. The department of local government finance shall adopt**
 23 **rules under IC 4-22-2 to implement this chapter.**

24 **SECTION 3. [EFFECTIVE JANUARY 1, 2006] IC 6-1.1-17-1, as**
 25 **amended by this act, and IC 6-1.1-45, as added by this act, apply**
 26 **only to property taxes first due and payable after December 31,**
 27 **2006.**
